OVERVIEW

Dave is Co-Chair of the Corporate & Transactional Practice Group and leads the firm's M&A and Transaction Liability practices. Aside from having an active M&A practice, he represents leading insurers on representation and warranty and other transaction liability matters from serving as counsel to underwriters during underwriting to serving as claims and coverage counsel. He also serves as corporate counsel to numerous entities, providing thorough legal guidance on complex business matters. His detailed and creative but practical and efficient approach allows him to offer tailored solutions that help his clients make informed decisions and achieve their goals with confidence.

EDUCATION

Capital University Law School (J.D., cum laude, 1990)

Order of the Curia

Law Review

The Ohio State University (B.A., 1987)

BAR ADMISSION

Ohio

PROFESSIONAL HIGHLIGHTS

Represented both public and private companies in numerous mergers, acquisitions, dispositions and reorganizations.

Served as outside counsel to one of the leading specialized managing general underwriters of Transaction Liability Insurance products, including conducting underwriting and due diligence review and serving as policy counsel for representations and warranties insurance in M&A transactions valued in excess of one billion dollars.

Served as coverage counsel for a variety of representations and warranty insurers on a number of claims.

Served as in-house Legal Counsel (on outsourced basis) to a leading U.S. and global telecommunications provider.

Prepared and negotiated Network Service Provider, Peering, Interconnection and Collocation Agreements, Strategic Alliance Agreements for international network expansion in the Pacific Rim, South America and Europe, and domestic and international network service, vendor, software license and partnering contracts.

Served as in-house Legal Counsel (on outsourced basis) to the leading U.S. internet service provider.

Prepared and negotiated content development and advertising agreements, custom software licensing and custom internet network contracts and marketing partner agreements.

Prepared and negotiated multiple arrays of business and commercial contracts including non-competition, confidentiality, trade secrets and independent contractor agreements, and purchase orders and terms and conditions for the sale of goods or services.

Development, licensing, transfer and protection of intellectual property, software and technology rights.
