OVERVIEW

Tom serves as coverage and claims monitoring counsel for domestic and international directors and officers liability insurers, overseeing securities class action, derivative, and other litigation against insureds. He handles claims under public company D&O policies and private company management liability policies. Tom provides coverage opinions and represents insurers during the claim resolution process, including mediation efforts and other settlement negotiations.

Tom also practices in the areas of corporate and securities law, including advising clients regarding securities offerings, securities enforcement matters, and regulatory compliance. He serves as an expert witness on securities law topics.
